Jacksonville, Fla.

Dear Mr. Greer:

I decided to send you the name and address of the gentlemen who is taking care of the affairs of the Eagles. It is Mr. Bill White, 560 - 2nd Ave., Daytona Beach, Fla. & Dr. John Slack, in case you had anything you want to take up with him. I sent him the information you sent me about towns should be publicized and making rates for the ball game with the College. Contact him directly, if you care to.

I have just receive word from Mr. Hayes that he could not get a Park for Birmingham and Newark to play on the 27th. We were expecting to play in Little Rock, but Memphis has that Park to play the Cubans. I am trying to get another spot, in the meantime as a last resort I will play in Daytona Beach that Sunday if I can get a team. If you know any one in the neighborhood who is idle that day, I will appreciate having you let me know.

Very truly yours,
